»» ABOUT TONGDA

Established in 1998, Qingdao Tongda Rubber Products Factory, is located in Qianlou Industrial Park, Qingdao, China. It is a professional nylon tyre enterprise with 4 brands: VROTR, V-OTR, SONEARTH and VIN-WIN. Tongda focuses on energy saving, safe production and technology innovation of OTR tyre, Industrial tyre, solid tyre, etc, forming a large-scale production line with thousands of patterns and specifications.

Tongda has a strong R & D team, and invests the first green rubber mixing project in Asia —— Qingdao Xinghang Mixing Center with the most advanced rolling equipment imported from Italy. It is equipped with a number of automatic capsule reverse packing machines, sophisticated production facilities so as to provide all-round technical support.

It has been qualified with ISO9001, and was granted the certificate of DOT, CCC, etc. The company is committed to high standards, high quality, high performance and high output. At present, the production capacity of rubber tires has reached 1 million per year.

According to customer needs in different markets, the factory will add new series, new molds and new patterns every year. In the domestic market, it is mainly based on OEM, and has long-term stable cooperation with a number of excavator, loader and bulldozer factories.

With over-20-years continuous efforts, Tongda has become a professional OTR tire and Industrial tire manufacturer, exporting to over 150 countries and regions in Southeast Asia, Middle East, Africa, America and Europe, and enjoyed high recognition and reputation at home and abroad.
